

## **Medical Physics Residency Benefits**

### **A. Salary**

The St. Luke's Graduate Medical Education program offers a competitive salary and a comprehensive benefits package. Residents who have successfully completed the St. Luke's residency program and moved into practice have commented that the cost of living in the Lehigh Valley is lower and they have found that they had more buying power than in large cities.

Year 1: \$69,899

Year 2: \$71,665

### **B. Benefits**

#### **Insurance**

Health, Dental, Vision, and Life Insurances

#### **Paid Time Off**

4 weeks' paid time off

    3 weeks' vacation

    1 week sick/personal

Sick time will accrue at the rate of one day per month.

#### **Education**

Education allowance of \$600.00 per year

Payment of licensing and examination fees required for advancement in the program.

#### **Conference and Travel Allowance**

Funding for up to \$2,000 for a conference in the last year with the approval of the Program Director.

One additional conference yearly with a \$2,000 stipend when a resident at any level of training has a paper accepted at a national conference.
