

St. Luke's Mini-Medical School with Da Vinci Science Center

For Curious Minds of All Ages

*Are you a high-school student
considering a career in medicine?*

Or an adult who secretly wants to be a doctor?

Expand your knowledge and sharpen your skills during our FREE four-week hands-on educational experience that mimics what it's like to go to medical school. You'll learn from experts in the field, complete hands-on activities such as dissection and even complete a final "exam" to earn your certificate of "graduation!"

Hurry! Spots are limited and fill quickly.

Register* before February 6 at: www.sluhn.org/minimedicalschooll

**Completing the online form does not guarantee participation. Participants will be randomly selected and notified prior to February 15. Participants must be able to attend all four sessions.*
