### Residency Program Benefits Fact Sheet

#### SECTION 1: INSURANCE PROGRAMS

##### HEALTH INSURANCE

Health insurance is effective as of the House Officer's Start Date. The House Officer will have the option to enroll in St. Luke's Employee Health Plan (administered by Capital) or the Capital Blue PPO Plan. As part of both of these health insurance options, a prescription plan is included in the House Officer's coverage. Benefits provided are subject to change as policies of the Hospital are revised.

##### MEDICAL PROFESSIONAL LIABILITY INSURANCE

The House Office is eligible for medical professional liability insurance coverage upon House Officer's completion of an application for insurance acceptable to the Hospital's insurance carrier.

##### DENTAL INSURANCE

Dental insurance is effective as of the House Officer's Start Date. The dental carrier is United Concordia.

##### VOLUNTARY VISION INSURANCE

Vision insurance is effective as of the House Officer's Start Date. The vision carrier is VSP.

##### VOLUNTARY ACCIDENT INSURANCE

Accident insurance pays a benefit amount, directly to the insured, based on a covered accidental injury. Accident insurance is not comprehensive medical insurance and does not cover medical expenses.

##### LIFE INSURANCE

The House Officer is eligible for group term life insurance coverage effective the first day of the first month following the House Officer's Start Date. The amount of coverage is equal to the House Officer's annual salary.

##### SUPPLEMENTAL LIFE INSURANCE

The House Officer is eligible for supplemental life insurance coverage effective the first day of the first month following six (6) months of employment. The House Officer may purchase additional life insurance coverage for themselves, their spouse, and/or children.

##### SHORT TERM DISABILITY PROGRAM

The House Officer is eligible for short term disability insurance coverage effective the first day of the first month following six (6) months of employment. Short term disability insurance will pay a portion of the House Officer's weekly earnings should the House Officer become disabled.

##### LONG TERM DISABILITY INSURANCE

The House Officer is eligible for long term disability coverage effective the first day of the first month following

six (6) months of employment. Long term disability insurance will pay a portion of the House Officer's monthly earnings should the House Officer become disabled.

## **SECTION 2: TIME OFF BENEFITS**

### **VACATION TIME**

The Hospital will frontload one hundred twenty (120) hours of vacation time at the beginning of each residency year. Vacation time that is not used by the end of a residency year will not roll over to the next residency year. Vacation time that is unused at point of termination or completion of the Residency Program will not be paid out.

### **HOLIDAY TIME**

The Hospital will frontload forty-eight (48) hours of holiday time at the beginning of each residency year. Holiday time that is not used by the end of a residency year will not roll over to the next residency year.
